Hi your honor my name is jack newson im a pro se im the plaintiff in this case im claiming im a qualified individual with a learning disability so be reasonable with me your honor
I want to challenge the motion to not dismiss this case your honor i say this because
I jack newson bring this matter before the court of law because

im claiming the defendent ms chris the coordinator ,mr mark the psychologist and ms pat the manager

caused my section 504 rights and my ada rights to be violated by them not giving me reviews hints and example on my math and english assignments because of my learning impairment im claiming i requested a reasonable accommodation at the end of january of 2019 between 11- 2pm if im not mistaking i say this because im claiming i needed help on my math course and english course so that i can get a great understanding on how to do my math and english course because its hard for me to catch on quick like other students because of my disability im claiming ms chris the coordinator caused my ada rights and my section 504 rights to get violated march the 13th 2019 between 11- 1:11pm

im claiming im a qualified student with a mental impairment the defendent ms chris refused to give me a reasonable accommodations as in hints examples and reviews

im claiming ms chris the coordinator said the accomodation i requested for is for high schoolers by the defendent telling me that

im claiming ms chris and ms pat and mr mark caused my ada rights and my section 504 to be violated theses are federal laws im protected by

im claiming me and the defedent ms pat the manager had a verbal agreement back in january 2019

im claiming i requested a reasonable accommodation

Because i needed help in my math and english assignment the defendant said the only way i can get a reasonable accommodation as if i request my iep from my old school and have my old school fax my iep to the defendent so that thay can give me the help i need

im claiming the defendent ms pat fail to do so wend she recieved my iep

causing me to be misled unexpectedly

and she caused the verbal agreement she has with me to be breached because

she didnt keep her word

im claiming The defendent knows im a qualified student with a learning disability by law

And im claiming the defendent knows i have a iep

im claiming the defendent knows im protected by section 504 and ada federal laws because im a qualified student with a disability

im claiming the defendent knows im on ssi

im claiming i verbally shared my information with the defendent wend i had a verbal agreement with the defendent ms pat at the end of january of 2019 wend i requested a reasonable accomidation so that the defendent can be aware of my problems

im claiming By law im a qualified student with a disabilitie

im claiming the academic program oakton communitie college has to do some adjustments to my math and english course wend i request a reasonable accommodation by law

So that i can get the help i need

im claiming By law oakton community college has to serve me because im protected by federal laws

im claiming if the defendent dont obey the law the defendent unlawful actions will be used against

the defendant in the court of law

Im claiming oakton community college worker ms chris the coordinator refuse to give me a reasonable accomodation wend i requested hints examples and reviews causing me to fail my math and english classes wend the defendant refused to serve me im claiming She said she cant accomdate me on my needs because the request i asked for is for high schoolers by her telling me that on march 13 2019 around 11am im claiming she made a big mistake by not serving me the help i need im claiming she knows im a qulified student with a learning impairment with a iep im claiming it shouldnt be kno way i get treated differently because i asked for the help i need on my math and english assignment im claiming i tryed tutoring january 24, 2019 3pm but tutoring does not give me the help i need im claiming tutoring only gives me limited help im claiming the way i conversate is the way i use freedom of speech im claiming i have a mental impairment and a speaking impairment and a writing impairment so be reasonable with me your honor im protected by federal laws because of my learning impairment Therefore i am asking the court to award me \$300,000 in damages because Under both the Americans with Disabilities Act, as recently amended, and Section 504 of the 1973 Rehabilitation Act, a reasonable accommodation is considered to be a modification or adjustment to a course, program, service, or facility, which ensures that a qualified student with a disability is not excluded, segregated, or otherwise treated differently
